Newsletter

JULY 2024

Awakening is a continuous journey of discovery, growth, and enlightenment. Awakening is the freedom that comes from realizing our inner potential—personal, intellectual, emotional, spiritual, and social.

We are committed to fostering holistic awakening in our institutions, encouraging curiosity, nurturing talents, and vigorously pursuing dreams. For students, awakening means recognizing their unique strengths and interests, exploring new subjects, engaging in extracurricular activities, and challenging themselves to achieve new dreams.

As we embrace holistic growth, let us strengthen our belief in the power of an open mind and a willing spirit. In learning, personal growth, or community engagement, awakening unlocks boundless possibilities and transformative experiences. Together, let us awaken to the limitless potential within each one of us.

VALUE OF THE MONTH : AWAKENING !!

Machilakath Abdul Rahim, an Indian from Kerala had spent 18 years in Saudi prison. In a rare show of benevolence and solidarity, Hindus, Christians and Muslims came together to raise Rs 34 crore needed to secure Rahim's release from prison and send him back home. It was an apt Eid-Vishu gift, as the holy month of Ramadan coincided with Vishu, a Hindu festival celebrating Malayalam new year. **Hands raised in prayer for saving life of an Indian** shows the power of unity and compassion. Rahim's mother, Fathima, who has not seen him since the day he left in 2006 is waiting with bated breath for her son's homecoming.

School Activities

Red Day Activity Colours are indeed the smiles of nature. With the "Red Day" celebration, our booming buds wonderfully performed a learning activity that helped them to sort and classify objects based on their colours, enhancing their cognitive skills.

Earth Day Activity

Earth Day underscores the growing significance of safeguarding nature. Both senior and junior students initiated a celebration by adorning their classrooms, school corridors and school premises with indoor and outdoor plants, pledging to nurture them.

Malaria Awareness Day Activity

Our students organized an awareness activity on World Malaria Day to raise awareness about diseases caused by parasites. Through a drama performance, they explained simple techniques to prevent the spread of mosquitoes in our surroundings.

Poila Baishakh Activity

To celebrate the Bengali New Year, Poila Baishakh, students of TIGPS-Krishnanagar hosted a cultural event, embracing the spirit of new beginning, unity, and togetherness.

Basanti Puja Activity

Basanti Puja, popularly known as the 'Chaitra Durga' puja, is the actual Devi Aradhana initiated prior to the famous Durga Puja of Bengal. Our main aim is to present forgotten mythological facts to the students. For that, students engaged in several activities.

Eco- Initiatives & CSR

Green Resonance

Greenery symbolizes life, fertility, renewal, and resurrection. Our little environment enthusiasts stepped forward with zeal and confidence and took the initiative to cool the earth by planting saplings in the school premises on the opening day of this new session.

Spreading Light

During Blindness Prevention Week, our young volunteers named Teresa raised awareness about the causes of blindness and distributed study essentials to the underprivileged, honoring Mother Teresa's impactful efforts for the blind worldwide.

Health Day Activity

"Health is wealth" rings true for us all! To spotlight the vital roles of our medical heroes and boost health awareness among students, our kids of TIGPS-Krishnanagar took part in several activities on the World Health Day.

World Book Day Activity

Our students enjoyed a magnificent day with the children of Sankar Mission on World Book Day. At TIGPS-Krishnanagar, we organized a book distribution program on that day, because we believe that "Today a reader, tomorrow a leader."

STUDENTS CORNER

Our friends from Jungle: knowing our animals through models
By Destiny Acharya (Class- KG)

Different Types of Trees across the World
By Adrija Bhatta
& Mayukh Nath (Class-PG)

Essence of Kerala
By Debopriya Ghosh (Class - IX)
